

# SMART Test+

## THE NEXT GENERATION IN MONITORING

SMART Test+ is our latest inbound test system which means you can quickly and easily test your fire system at any time 24/7, eliminating queuing and hold times completely.

**Increased test time  
from 30 to 60  
minutes**

**Test just fire alarms  
without putting  
entire system on test**

Call 0844 871 2228 to place your fire alarm on test.
